

I'm looking for...

Large unfurnished (or semi-furnished) room in non-smoking house/flat (absolute must). Ideally within 10min walk of Amex: Kemp Town, Queens Park or Hanover. Preferably wireless broadband. Even better if you have a Wii!

And above all **fun people!**
Friendly and open-minded.
I want mates, not just housemates.
No total party animals please.

If you think we could get along
and want to meet
for a chat

SEEKING HOUSE!

After 2 years of living on my own I've had enough and am looking for a bunch of fun people to move in with. I'm not fussy! Well, just a little...

What you get...

29 year old house-trained female (5 years experience of sharing).
Quirky, open-minded, slightly geeky.
I travel a lot, but don't go clubbing much.
I enjoy quiet chats, sometimes debates.
I love the Internet but rarely watch TV.
I have a secret online identity.
Music is *most* important. And sunshine.
